RE: Henry Donaldson
Priority: Urgent

It is with great sadness that ADHD Advertising announces the passing of our CEO, Henry Donaldson, on January 12th. Henry assumed control of ADHD in 1942, following in the footsteps of his father Albert Donaldson. As of January 13th, **Henry Donaldson Junior** is the new CEO, while 30 year veteran and Creative Director **Leo Titan** remains simply the Creative Director. **Mr. Titan** will resume his responsibilities on January 26 upon his release from the hospital where he is recovering from injuries sustained in the accident that claimed the life of Mr. Donaldson. **Dr Marcus Kildeere** promises a complete recovery for **Mr. Titan**, assuming nothing goes wrong with the cardiac machine. **Brandy Alexander Decanter-Titan** thanks you all your kind wishes for her husband, and hopes that you will join her for some shopping in the near future. In **Mr. Titan's** absence, any administrative questions may be directed to Office Manager **Vicki Vanderstandten (nee Vanstandten)**, however, on Tuesdays, when **Ms. Vanderstandten** visits the grave(s) of her late husband(s), you may address your questions to Reception Secretary **Marlow Hayworth**. **Miss Hayworth** will be in the office daily from 5 am to 5 pm, except when she is at The French Connection lounge shmoozing with ADHD's top client **Dougie "Bottom Line" Burn** of BurnCo Industries (Asbestos and Lead Based Paints). Art Direction and Copy Writing will remain in the hands of **Todd Snodgrass** and **Kitty Finch**. Any pressing deadlines may be passed to **Miss Finch** since she has no life and is certainly not, in anyway at all, married. She lives with her cousin. **Mr. Snodgrass** may also choose to delegate his own responsibilities to **Miss Finch**, as he prefers to 'chill' at the "Downbeat" where things are 'happening' and 'cool'. The Glycerine Suppository account is our top priority as Production Media Director **Forrest Bronson** missed his January 9th deadline due to a clerical error on the part of his secretary **Delores Mosco**. **Mr. Bronson** will be away from his desk on January 15th to attend 'Harassment in the Workplace' seminars, scheduled by himself, for himself, after making a pass at **Miss Mosco**. Finally, the social committee would like to announce preparations for **Delores Mosco's** bridal shower in anticipation of her marriage to **Mr. Snodgrass**. The French Connection's own '**Pierre**' will provide music. Plans for a welcome home party for Henry Donaldson's daughter **Tipper Montgomery-Donaldson** are postponed due to the upcoming funeral for her father. Coffee room clean up for the week of January 19th: **Henry Donaldson Junior, CEO**.
