Priority: Urgent

Creative Director Leo Titan insists that all staff continue with their duties and pay no heed to Dougie "Bottom Line" Burn's claim that he holds the 'real will' of our past CEO, and that Mr. Burn himself is now the owner of ADHD Advertising. Mr. Titan assures you all that he will get to the bottom of matter very soon.

Henry Donaldson Jr. Sir's bible study group has been cancelled for this week due to the fact that his leg is broken in three places after a hit and run accident in the parking lot. Mr Donaldson Jr. Sir also needs time to digest the fact that he is NOT a Donaldson, but in reality the son of Dougie "Bottom Line" Burn, ADHD's top client!

Congratulations Mr Donaldson Burn Jr. Sir!

Brandy Alexander Decanter-Titan's "not-stolen-baby" was seen smoking a cigarette outside the ADHD building. A reminder to ALL STAFF that the only cigarettes allowed on the premises are CAMEL brand cigarettes.

Until Camel has approved the new Television Ad that Mr Forrest Bronson is producing, we are not to be seen smoking any other brand.

Reception Secretary Marlow Hayworth will now be booking appointments for Mr. Titan, Mr Donaldson Burn Jr. Sir as well as Copywriter Miss Kitty Finch. Miss Finch has been trusted with the entire Camel account by Leo Titan, freeing Art Director Todd Snodgrass for other projects, such as seeking an annulment for his marriage to Production Secretary Delores Snodgrass.

All staff are reminded to re-read chapter 3 of the ADHD employee handbook. Subsection 8 clearly states that all female staff at ADHD are prohibited from marrying. Delores Snodgrass, please see Forrest Bronson in the Production Department at 10 am this morning for a meeting regarding your future at ADHD.

Miss Kitty Finch, Mrs. Delores Snodgrass and Miss Marlow Haworth thank everyone for attending Henry Donaldson Burn Jr. Sir's 21st Birthday party. In celebration of Mr Donaldson Burn Jr. Sir's reaching the legal drinking age, the ladies allowed themselves a hormonal cry fest and embarrassing display of histrionics. Happy Birthday Henry!

All Staff please meet in the parking lot at 12 noon today to join the search party for Brandy Alexander Decanter Titan and Todd Snodgrass. Mrs. Titan and Mr. Snodgrass were last seen growing feral in the woods outside of Etobicoke.
