**Priority:** Urgent

This morning's staff meeting has been cancelled due to the fact that former Creative Director **Leo Titan** is currently in his office with a gun held to his head. **Dougie "Bottom Line" Burns** is likewise unavailable

**Henry Donaldson Burns Jr. Sir's** would like to inform the staff that he is relinquishing control of ADHD to his father **Dougie "Bottom Line" Burns**. He assures us all that it has nothing to do with the fact that the Late Henry Donaldson's real will tells him to, or with the money his father is withholding from him and threatening to give to his sister. It also has nothing to do with the way that his father is holding a gun to **Leo Titan's** head.

Reception Secretary **Marlow Hayworth** will now be booking appointments for **Dougie "Bottom Line" Burns** and **Miss Kitty Finch**. Since **Mr Burns** has promoted **Miss Finch** to the newly vacated position of Creative Director, **Miss Hayworth** has reaffirmed her status of "best friend" with **Miss Finch** and renewed her pursuit of **Mr. Burns**. **Mr. Burns** is however, uninterested in anything other than the gun he now holds to **Leo Titan's** head.

**Marlow Hayworth** would also like to inform ADHD employees that after successfully rummaging through **Leo Titan's** desk, she can confirm that the human resources files have been updated to include **Todd Snodgrass's** recent arrest for erratic driving as well as the fact that **Mr. and Mrs Todd Snodgrass** have had their wedding annulled. This leaves **Delores Mosco** once again single, however unemployed. **Mr Forrest Bronson**, her employer has fired **Miss Mosco**, indicating that this has nothing to do with **Miss Mosco** snooping through his home and discovering his 'mother's bedroom'. It was simply in response to the order **Mr. Titan** gave when he was still Creative Director, and not a demoted man with a gun to his head.

**Brandy Alexander Decanter-Titan** was successfully bailed out of prison, only to be separated from her husband **Leo Titan** attacked by birds. Welcome back **Brandy!** Please pick up your husband's messages at the front desk as he has a gun pointed at his head. Coffee room clean up for the week of February 9th: **Leo Titan**
